**Policy Document on Green Campus**

MVP Samaj's Arts and Commerce College, Makhamalabad gives priority in implementing green concepts in the campus. The college has been taking initiatives in promoting green practices in and beyond the institution and develop best practices strategies in environmental management. Although establishment and maintenance of green campus is important, spreading awareness on the green practices among students and educating stake holders about it is our priority. The college is taking efforts in managing water resources, waste management, conserve natural resources, and recommend minimal paper use. The policy is framed to maintain of green campus and adopt the green initiatives beyond the campus too.

**The objectives of the policy:**

- To raise awareness among student, teachers about the environmental issues.
- To improve the college campus's environment.
- To develop sense of responsibility in the society about environmental conservation.
- To handle the college's solid and liquid waste.

**The college initiatives for Green Campus:**

**Water Management**

- Implementation rain water harvesting to resolve and manage water scarcity problems in future.
- Regularly inspect taps for draining and repair immediately to avoid loss of potable water.
- Promote effective water management by using drip pipe lines, sprinklers etc.
- The waste water from water purifier is used for gardening purpose.
- Spread awareness in the nearby villages about water conservation through camps and rallies.

**Waste Management**

- Spread the awareness amongst society about the waste management for ecosystem and methods for its disposal.
- Promote the degradable waste management.
- Avoid use of plastic in the campus.

### Use of Renewable Energy/Energy Conservation

- Promote adaptation of solar power equipment/converters.
- Adopt and promote power saving electrical equipment
- Beware on the role of scientific electrification and the use of bulbs and equipment in saving of power.

### Green Building

- Plantation of saplings in and around campus as well as involved people in tree plantation.
- Cleanliness in and around the campus and waste minimization.
- Advocate the benefits of paperless work in reducing the waste production and green practices.

### Tobacco Free campus

- According to top management policy and rules the use of tobacco products is strictly prohibited in the campus.

### Green initiatives beyond the campus

The Green Campus Programs beyond the campus should be encouraged and planned. Strong commitment and support from the Management will always be there to the college for contribution to embedding sustainability in the campus and beyond the campus. The college brings awareness in communities to control pollution, save energy, water conservation and preserve agricultural and environmentally sensitive areas. The student-led Green Campus programs to be initiated by NSS volunteers under the NSS College Program Officer.

### Implementation of Green Campus Policy in the campus through

- Installation of 48 Solar Panels on the roof of main building for the creation of energy of 15.36 KWH
- Green cover on the campus is maintained by the appointed gardener.
- Use of LED bulbs in the campus
- Avoiding the use of plastic bags and bottles
- Plantation of saplings in and around campus
- Rain water harvesting system is developed on the campus
- Continuous Contour Trenches (CCT) work at the Dari village for water conservation

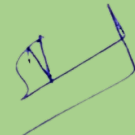

- Active participation of the college students and staff in the cleanliness campaign (*Swachhata Abhiyan*)
- Degradable waste management through Vermi Compost project
- Observation of No Vehicle Day
- Promotion of use of cycle, battery powered vehicle, local transport
- Installation of green gem at the campus
- Display boards for green initiatives on the campus.

परिपत्रक क्र.१७१८३ /२०१९-२० दिनांक: ०४.०३.२०२०

प्रति,  
मुख्याध्यापक/प्राचार्य  
संस्था संचलित सर्व शाखा प्रमुख यांसी-

विषय: प्लास्टिक पाणी बॉटल वापरणे बाबत....

वरील विषयान्वये सर्व शाखा प्रमुख यांना कळविण्यात येते की, सध्या प्लास्टिकच्या बॉटलमधील पाणी पिण्याच्या सवयी वाढतच चालल्या आहेत. लांबचा प्रवास किंवा जास्त पाणी पिण्याच्या सवयीमुळे प्लास्टिकची बॉटल नेहमी पाहावयास मिळते. मात्र एका संशोधनानुसार प्लास्टिकच्या बॉटलचा प्रयोग करणे आरोग्यासाठी खूपच अपायकारक असल्याचे सिद्ध झाले आहे. जर आपण नेहमी प्लास्टिकच्या बॉटलमध्ये पाणी पित असाल तर आपणास अनेक धोकादायक आजार होऊ शकतात. प्लास्टिकच्या बॉटलमध्ये कित्येक हानिकारक केमिकल्स असतात जे गरम झाल्यानंतर पाण्यात मिक्स होतात आणि तेच पाणी पिल्याने पाण्याबरोबर पोटात गेलेल्या हानिकारक केमिकल्समुळे आपल्या शरिराला हानी पोहचते.

महाराष्ट्र शासनाने सदरच्या प्लास्टिक वापरास बंदी केलेली असतांनाही आपण सर्रासपणे प्लास्टिक पाणी बॉटल, प्लास्टिक बॅग वापरत आहोत. परंतु आपल्या हे लक्षात यावयास हवे की, आपणच आपल्या हाताने पर्यावरणावर आघात करून सृष्टिच्या नियमांचे उल्लंघन करत आहोत. तेव्हा आपल्या शाखेतील सर्व शिक्षक, शिक्षकेत्तर कर्मचारी, विद्यार्थी यांना प्लास्टिक पाणी बॉटल ऐवजी पाणी पिण्यासाठी स्टिलचे/काचेचे ग्लास अथवा तांब्या फुलपात्र वापरणे बंधनकारक करावे.

तसेच संस्थेच्या कोणत्याही कार्यक्रमात स्टेजवर पाहुण्यांसाठी प्लास्टिक पाणी बॉटल न ठेवता स्टिलच्या ग्लासमध्ये अथवा तांब्या फुलपात्रातच पाणी देण्याचे नियोजन करावे. यापुढे आपल्या शाखेच्या कोणत्याही कार्यक्रमात, कार्यालयात अथवा वर्गात प्लास्टिक पाणी बॉटल दिसणार नाही याची दक्षता घेऊन याबाबत सर्वांना सुचीत करावे.
