On the occasion of Shiva Jayanti HPT Arts and RYK Science College Nashik Dr. R.G. Bhong was present. He shared his thoughts on Shivakarya. He persuaded various aspects of Shivaji Maharaj's thought. Contrary to popular belief, Shivaji was not named after Lord Shiva. In fact, he was named after a regional Goddess Shivai. His mother prayed to the goddess for a son and was blessed with one. The god-like stature was given to him for his deeds, and not his name. The secular ruler was very accommodating of all religions. He had

numerous Muslim soldiers in his army. His only aim was to overthrow Mughal rule and establish Maratha empire. He was also very supportive of people who converted to Hinduism.

At this time, the principal of the college Dr. D. R Bachhav Sir, Professor and non-professor staff were present.

On the occasion of Shiv Jayanti, the principal of the college Dr. A.P.patil and College professors and non-professor staff were present at this time. Principal Dr. V. S. Kale, Dr. G. R. On the occasion of Shiva Jayanti, Professor S.B.Chavanke , Department of History, College presented his thoughts on Shiva work. At the time, she said Shivaji Maharaj faced many difficulties while establishing Swarajya. Shivaji Maharaj went ahead after overcoming difficulties at every stage. Shivaji Maharaj never gave up because of problems, but with perseverance, ingenuity and wisdom, Shivaji Maharaj overcame problems and achieved great success

and established Swarajya. Shivaji Maharaj never feared an enemy stronger than him. The word fear was not even in Maharaj's mind. This is exactly the style of governing the country that he has used in India. From the descent of the fort after the expedition to the return of the fort, the management of the work was meticulous. Shivaji Maharaj was getting great success due to planning, gathering information, assigning responsibilities. The campaign to get rid of Agra is a perfect example of this.

On the occasion of Shiv Jayanti, the principal of the college Dr. A.P.patil worshiped the image. College professors and non-professor staff were present at this time.

On the occasion of Shiva Jayanti, Professor S.B.Chavanke , Department of History, College presented his thoughts on Shiva work. At the time, she said Chhatrapati Shivaji was one of the bravest, most progressive and sensible rulers of India. The founder of the Maratha Kingdom, Shivaji was born to be a natural leader and fighter on 19th February, 1630 in the prestigious Shivneri Fort. Till date, the day is celebrated as Shiv Jayanti with great rigour and traditional style by Maharashtrians.

Shivaji established a royal name for himself in history with his administrative skills by upholding the Swarajya values and the Maratha heritage. He was known for his bravery and tactics with which he won numerous wars against the Mughals. Remembering the greatest Maratha ruler on his birthday, here are some interesting facts about Shivaji. Known as the Father of Indian Navy, Shivaji was the first to realise the importance of having a

naval force, and therefore he strategically established a navy and forts at the coastline to defend the Konkan side of Maharashtra. The Jaigad, Vijaydurg, Sindhudurg and other such forts still stand to testify his efforts and ideas.

Shivaji was a dependable supporter of women and their honour. He opposed all kinds of violence, harassment and dishonour against women. Anyone under his rule caught violating woman's rights was severely punished. In fact, women of captured territories were also released unharmed, and with integrity. Chhatrapati Shivaji was called as the 'Mountain Rat' and was widely known for his guerrilla warfare tactics. He was called so because of his awareness in geography of his land, and guerrilla tactics like raiding, ambushing and surprise attacks on his enemies. He knew the importance of a good army, and with his skills, expanded his father's 2000 soldier army to 10,000 soldiers.
