PERSPECTIVE PLAN

2016-2021

About the College

Maratha Vidya Prasarak Samaj's Arts, and Commerce College, Makhamalabad was established in July 2008 and is affiliated to the Savitribai Phule Pune University, Pune. It is Located at Makhamalabad. Makhamalabad is village near Nashik city. It is a part of Nashik Municipal Corporation. It is an agricultural village. The college has been providing higher education to the socially and economically weaker students from rural area of the Nashik taluka. The College offers degree programs in five courses related to Arts and Commerce. Along with regular teaching the college conducts coaching for skills developments, competitive examinations and yoga.

The College is housed in two sprawling buildings right in the heart of Makhamalabad at MVP Educational Campus. The college building has all the necessary physical and modern educational facilities. Well ventilated classrooms, spacious playground, gymnasium, computerized library and reading hall, well equipped computer laboratory, seminar hall, Psychology laboratory, Wi-Fi internet connectivity are some of the facilities available on the college campus.

The college has well qualified and efficient teaching staff. The teachers regularly contribute to social and cultural activities along with their teaching work. Many of them work on various academic bodies of the college and some of the faculty members are also working in the university level committees. Teachers of this college have published research papers in various reputed journals. Our teachers contribute in distant learning through Yashwantrao Chavhan Maharashtra Open University (YCMOU) Study Centre of the college for distance MBA and MA (Economics). The college consistently organized workshops, seminars training programmes etc. for the motivation of the teachers and students. Many of the faculty members are actively engaged in research.

The college has registered Alumni Association through which alumni of the college actively involved in the college development. Not only the alumni, but the villagers also

whole hearted participated in the various programmes of the college. They are always the source of the motivation and helping hands in any problematic situation.

The National Service Scheme Unit has taken great initiatives in the water conservation, environmental awareness and people education about pollution. The efforts of the NSS Unit of the college are highly appreciated and affiliating university rewarded the college with BEST COLLEGE FOR NSS in the year 2018-19.

Vision:

Imparting quality education to the students from rural area and prepare them socially responsible, globally competent and excellent human beings.

Mission:

- To educate students in the field of humanities, social sciences and commerce.
- To uplift students from weaker section of the society by providing opportunities of higher education and make them self-independent.
- To bring positive change in the society through education and extension activities.

Objectives:

- To create interest among the students in humanities, commerce, marketing and business.
- To enhance the employability of students by arranging training programs in communication skills, personality development and competitive examination.
- To inculcate fraternity, scientific attitude, rationalism and environmental awareness etc. among students.
- To provide value addition through co-curricular and extra-curricular activities.
- To ensure secure learning environment for girl students.
- To provide good academic facilities on continuous basis.
- To conduct examination in fair manner.
- To maintain discipline on college campus.

Introduction to Perspective Plans

The College has prepared a Perspective Plan for the period of five years commencing from academic year 2016-2017 to academic year 2020-2021 by taking into consideration the quality indicators of seven criteria determined by NAAC. In the preparation of the Perspective Plan, the Internal Quality Assurance Cell (IQAC) of the college has taken initiatives. The college IQAC committee, Head of the departments, and the principal, provided the guidelines for preparing the plan. Inputs from all stakeholders, their expectations, management policies and goals and objectives of the college have been used as the base in formulating the perspective plan. The IQAC plays a vital role in maintaining and enhancing the quality of the institution and suggests quality measures. Feedback from all the stakeholders and the recommendations of the IQAC are also taken into consideration and innovations are incorporated in perspective plan. Student feedback mechanism, self-appraisal by teachers, introduction of various training programmes, faculty improvement programmes, encouragement to teachers for research are some of the measures taken for at priority quality sustenance and enhancement as a strategy. The draft of Perspective Plan has been discussed, in the College Development Committee of the college. It is our sincere efforts to prepare the framework for our collective efforts directed towards the attainment of our goals and objectives.
