Subject: Request to provide us 32 computers, an LCD projector, an AC unit, etc.

Sir,

Ours is a senior college established in the academic year 2008-09 on a non-grant basis. The college is affiliated to Savitribai Phule Pune University and is run by Maratha Vidya Prasarak Samaj, Nashik, the second largest educational institution in Maharashtra. On the campus of the college, there is an educational complex comprising of Pre-Primary, Primary, Marathi and English Medium Schools, a high school with Arts, Science and Commerce Junior College(+2) classes, and Arts and Commerce (senior) College (B.A. and B.Com.). In all total 5 thousand students are presently taking education in this educational complex.

There are more than 65% students belonging backward castes (SC,ST,OBC,NT,VJ.etc.) There are more than 55% female students.

Computer education and literacy is the need of the hour. To make these five thousand students computer savvy, we need a well-equipped computer laboratory with an adequate number of computers, an LCD Projector, an ac unit, etc.

The college has provided the essential infrastructure like a room, furniture, electrification,Wifi internet connection, etc.

I, therefore, earnestly request you to provide us 32 computers, one LCD Projector, one AC unit and other ancillary things like a glass door and windows at the earliest.

I assure you that the college will well maintain the computer laboratory and give various computer courses to the campus community and spread computer literacy in the area.

With thanks and regards,
